

2005 COLORADO ACTUARIAL DOCUMENTS CHANGES 8/31 FILING
--

EXPANSION: N/A

DELETIONS: Peach processing type -102 has been eliminated from the SPOI.

DATES: N/A

STATEMENTS: Organic practice statements added to the SPOI. Transitional and certified organic production must be kept in separate Actual Production History databases and include production from any applicable buffer strips.

The price statement for peaches on the SPOI has been revised as well as the processing price removed due to the elimination of the peach processing type.

All statements on the Apple Special Provisions of Insurance that referenced previous quality options have been deleted. See the new Apple Crop Insurance Provisions.

PRACTICES/TYPES: N/A

MAPS/SUPPLEMENTS: Refer to attached Summary of Change Log.

TRANSITIONAL YIELDS: The Transitional Yield and YA Substitution Table has changed design for apples, grapes, and peaches. The columns have been reorganized and reformatted. There has been no change to the actual transitional yields.

Please note that the criteria for tree height has been removed for peaches in the Transitional Yield Table. All T-Yields now represent over 8 feet tall trees. Also, since processing peaches have been eliminated beginning with the 2005 Crop Year, no transitional yields are available for processing peaches. However, those T-Yields are listed for the years 2001-2004.

OTHER:

New Apple Crop Insurance Provisions. One quality option available designated by the code "AF".

Rate map area factors have changed for apples in Delta, Mesa, and Montrose counties and peaches in Delta and Mesa counties— see the FCI-35.

Rate reviews were completed on apples, grapes, and peaches. Apple rates adjusted to reflect new policy provisions.

Converted the coverage level shown on the FCI-35 for reference and fixed rates from 75% to 65%.

An Organic Rate Factor of 1.05 has been added for all crops – see the FCI-35.

NOTE: *This is not an official document. For all official changes, refer to the 2005 Crop Year State Summary of Changes that will be issued by the Actuarial Division.*
